

**2016  
Innovative Path to Zero  
AWARD**

**Sunrise Cyclery**

**Implemented innovative initiatives:**

- ✓ Repurpose bike rims, tires, cogs, tubes, chains into innovative products or unique pieces of art
- ✓ Tires are reused as pots or turned into blip seats
- ✓ Created a new tire tube that eliminates packaging and can has a removable stem that can be reused
- ✓ Restore rusted bikes and donate to children & people in need
