

**2017
ZERO to ZERO
AWARD**
The Blended Table

Full Service Catering

- Full recycling of mixed materials from glass and plastic to composting their clean, green waste,
- Divert an estimated 80% of total waste.
- Recycle all plastic, cardboard, metal cans
- Avoids plastic disposable quart containers instead opting to use re-usable hotel pans.
- Encourage clients to use china and glassware, but if disposable products are requested will use biodegradable products.
